Our first time really gathering as a group will be swearing in. I'm discussing a retreat with Van. Getting many requests. I'll let you know ASAP. Mark

Mark,

Any progress on how to go about briefing the new commissioners on the Crime Commission and Operation: Safe Community ?

Sorry you couldn't make the first showing of the assessment center yesterday. I feel good about plans for housing the center at UT.

Absolutely and I just returned from transition team's first meeting. Public safety was a topic. I believe Commissioner Turn will be next chair. We could do at a meeting or as a segment of a retreat. Let me ask, regardless we need to do.- Mark

Commissioner,

Do you think it would be a good idea for us (the two of us and maybe Amy Weirich) to brief the incoming new commissioners on the role of the Crime Commission and the Operation: Safe Community plan ?

If so, what would be the best way? Try to have a special meeting ? Be part of a retreat for new members if one is being planned ? Let me know your thoughts.

I'm glad to see you are on the mayor-elect's transition team. You will bring a lot of insight to the process.
